About Acted

For the past 30 years, international NGO Acted has been going the last mile to save lives. Currently, Acted supports 20 million people across 43 countries to meet their needs in hard-to-reach areas - and pursues a triple mandate as a humanitarian, environmental and development aid actor. Acted relies on an in-depth knowledge of local territories and contexts to develop and implement relevant long-term actions, with a wide range of local and international partners, building together a "3ZERO" world: Zero Exclusion, Zero Carbon, Zero Poverty.

Position's context and key challenges

Since the beginning of the conflict in 2015 and following the invasion by the Russian Federation in 2022, Ukraine has seen relentless military violence directly affecting over 12.7 million people in 2024, especially in areas close to the frontline. With over 500 staff and 13 offices along frontline areas, Acted has been a leading humanitarian actor in the country since 2015. In a challenging security environment, it is committed to providing emergency assistance, such as cash assistance, Shelter and WASH repairs, in-kind support, as well as early recovery support, including economic recovery support, support to local development and infrastructure reconstruction.

Key roles and responsibilities

The goal of the Cash Working Group (CWG) Programmatic Co-Chair is to ensure a coherent and effective response to cash needs being addressed by agencies engaging in cash interventions, as required by the activation of the United Nations Cluster System. Together with OCHA, the coordination co-chair of the CWG, the CWG Programmatic Co-Chair will lead this initiative by working closely with the CWG stakeholders (communities, authorities, institutions and INGOs and UN agencies) to provide an effective, timely and strategic collective response to the current situation.

The CWG Programmatic Co-Chair will work impartially, serving the needs of all members of the CWG, and should work closely with OCHA and other country cluster coordinators.

1. Leadership

- Provide leadership to the CWG in an accountable manner to its members; prepare, organize, chair and ensure follow-up on regular CWG meetings and exchanges between partners and ensure inclusiveness of the group; ensure relevant agenda topics are inclusive, transparent, adaptive and reflective of cash actors' needs; ensure CVA is coordinated, harmonized, and in line with best practices.
- Represent the CWG in the Inter-Cluster Coordination Group and relevant cluster meetings at the sub-national level and national level, as required; support ICCG and ensure strong linkage and timely communication with individual clusters to strengthen inter-cluster coordination efforts to CVA and ensure CVA is harmonized and in line with applicable best practices.
- Support drafting of CWG work plans, in line with ICCG/HCT priorities, for the duration of applicable HPC frameworks.
- Maintain/update information management products (including 4Ws and inter-cluster CVA dashboards) and communication channels (including website management) on ongoing and planned CVA to inform coordination, harmonization and complementarity in programming.

- Support and inform development of the MPC strategy under the humanitarian cycle planning framework documents and advocate for securing funds dedicated to the MPC HRP response.
- Support national task team co-chairs in the creation and operationalization of the task teams; participate, provide technical support and promote linkages with other task teams as necessary.
- Support the sub-national CWGs and ensure information sharing and harmonization of efforts.
- Support development of strategies in conjunction with cluster coordinators to ensure that CVA best practices are systematically implemented and updated in the humanitarian response interventions.
- Encourage promotion and harmonization of a deduplication agenda across CVA practitioners.
- Participate in engaging with donors on a regular basis to understand current priorities and policies, and report information accordingly to the CWG.
- Where appropriate, advocate with national and local government for promotion of CVA and to ensure its acceptance and understanding.
- Contribute to the conceptualization of exit strategies from humanitarian CVA wherever possible, with particular emphasis on referrals and alignment with existing shock- responsive social protection systems; and develop and maintain relationships with key governmental bodies active in the social protection space, in complementarity with social protection actors.
- Maintain regular communication with UN agencies, INGOs, local NGOs, Red Cross and Red Crescent Movement, donors and government active in the area of cash programming and/or social protection as relevant.
- Promote/support environmental analyses/assessment and awareness-raising activities on environmentally-conscious spending decisions in relation to CVA.

2. Technical Assistance

- Coordinate the provision of direct technical advice and solutions to CWG members and clusters for efficient, effective and context appropriate CVA.
- Contribute to drafting of MPC and sector specific CVA guidelines, key messages and Standard Operational Procedures as needed.
- Coordinate with relevant clusters and other key actors to identify referral pathways.
- Ensure monitoring mechanisms are in place to review the impact of cash interventions and measure progress against implementation plans.
- Develop and strengthen the capacity of national NGO actors to implement CVA in line with CWG standards and best practices worldwide.
- Facilitate reviews of the financial and legal framework(s) pertaining to CVAs within the country as required and advise implementing agencies on opportunities and constraints.
- Collate, review and make available information on financial infrastructure and available delivery mechanisms and advise implementing agencies on opportunities and constraints.
- Assist the CWG in designing tools for, and the implementation of, market and needs assessment, response analyses, selection of delivery mechanisms and PDM.
- Support the establishment of standardized data management, data sharing and data sharing systems to facilitate data collection, efficiency in assessment and referral.

3. Reporting and Knowledge Management

- Contribute to reporting to the ICCG on a regular basis on progress against the agreed workplan and key relevant topics. Contribute to reporting to the HCT similarly when required.
- Collect and promote good practices and lessons learned, contributing to a collection of replicable good practices for cash transfer programming and a way forward on coordinating multi-sector responses, guidelines and guidance development.
- Ensure the maintenance of connections with the Cash Learning Partnership (CALP) and other relevant platforms and fora for the purpose of learning and capacity building of the community of practice.
